Corrigenda from the Chairman of the Bombay Exhibition Committee.

The Industrial and Agricultural Exhibition of the Twentieth Indian National Congress, Bombay, 1904.

CORRIGENDA.

It has now been finally settled that the Exhibition will be opened by His Excellency Lord Lamington, the Governor of Bombay, on the 10th of December 1904.

The time for applying for space in the Exhibition is extended to the 15th October.

Exhibits will be received up to the 30th of November, instead of 5th of December, but Exhibitors are requested to send in their Exhibits at as early a date as they possibly can. Exhibits coming early will naturally receive greater attention as regards proper up-keep and arrangement in the pavilion.
